

OPÉRA

EMMANUEL GALLINA (2014)

DESCRIPTION

Authenticity is the keyword of this creation. This table is a refined piece which showcases the finesse of its handmade design combined with the most modern production technologies. The idea behind this table is to offer an easy-to-achieve extendible solution which maintains its elegance even when extended. This simplicity is achieved thanks to the use of discreet techniques, while highlighting traditional noble materials such as wood and marble in a contemporary design.
